Introduction

We are looking for a Demand Planner for our Group procurement department!

About Selecta

Selecta Nederland is part of the Selecta Group. In Europe we are the market leader in the field of food and drink, 24/7, unmanned. Spread over 16 countries, we serve 12 million consumers every day with our unmanned F&B concepts. Within a rapidly changing market, we deliver customized facility food and drink solutions for our customers. We do this together with Starbucks, Albert Heijn to go, Lavazza and of course our own brand Pelican Rouge!

About the job

For our Group Procurement department we are looking for a Demand Planner. The demand planner works with daily rituals to make sure the warehouse equipment inventory is at a healthy level and visible/accessible for each region. You are the SPOC for the One-Selecta regions using CRM to create and maintain rolling forecast and production agreements for the manufacturers.

In addition you will be responsible for:

- Forecasting: Coordination of rolling forecast with CRM data to manufacturers, support purchasing and on time deliveries;
- Warehouse Inventory Management: Managing inventory levels to ensure that goods are available when needed while avoiding excess inventory levels that would cause costs to rise;
- Compliance: Manting dashboard (OMP reports) based on PowerBI to ensure accurate stock levels are visible and usable for other regions;
- Single Point of Contact: Act as SPOC for One-Selecta regions and manufacturers for assigned categories;
- On-Time-deliveries: Ensure and Monitor on-time-deliveries and perform claims management when appropriate;
- Framework agreements; Proactively manage vendor agreements within assigned categories.

About you

We live in a fast paced world with changing needs, so culture fit is critical to our success - our associates are the backbone of our business. We look for individuals who embrace our core values: Client focus and our 'what else' mindset. We want champions that enjoys overachievement. Upbeat (energetic & hungry to succeed) Dynamic (adaptable & 'out-of-the-box thinking) & Human (authentic and personable).

You will also need:

- Degree in higher education with a strong command of numbers and analysing data.
- Professional experience demand planning
- Flexibility / willing to traveling in Europe on exceptional periods
- Professional command of English language is a must, experience of other languages is an advantage (Dutch, French, German, Spanish, Italian).

Selecta offers
